Initial Storyboard:

Initial Feedback:

First Round Revisions:

Ongoing Tasks:

Second Round Revisions:

Documentation:

Future Tasks:

Finalize Storyboard:

Pictures:

Initial Storyboard:

Revised Storyboard(s):

Storyboard Program:

For second round revisions:

- After receiving feedback, make changes/continue adding slides, information, details, etc.
- Attempting Storyboarder program: more accurate/detailed slides, better ability to convey concepts and vision
- Goal: condense down material and draft a concise storyboard that covers material in detail without being too complex to create
